Unit#3

- COMMENDATION CERTIFICATE BY SIEMENS, ALMUSSAIB PROJECT, IRAQ

Sub: Renovation and Modernization of HP & LP Bypass system in Unit # 3, 1 & 4 and Replacement of control valve in Unit #3.

We would like to appreciate M/s. Texcel Engineers Private Limited, Chennai , India for the their excellent and commendable work, their Team has carried out in the Renovation & Modernization works of HP & LP Bypass system and its accessories and piping for Unit # 3, 4 & 1 and replacement of control valve in Unit #3, with utmost quality & safety standards,

They had mobilized an excellent team of engineers and technicians during the course of the work.

The assigned work in all 3 units, Unit # 1, 3 & 4 including removal of existing valves by Grinding, Edge preparation, Replacement of New Valves & Piping, Welding NDT and Post weld heat treatment, restoring back, Application of Insulation, Replacement of Hydraulic unit & its pipelines, pre commissioning were completed in 3 ½ months time period as against original schedule of 6 months, through efficient planning and monitoring.

The quality of work has been reflected as there had been "0" defect in welding and adhering to safety standard with NIL accidents.

We are very happy with the work carried out and recommend other clients to utilize the service of M/s. Texcel Engineers Private Limited in other works at Iraq and elsewhere due to their excellent quality work.

We wish them all success in their future assignments
